Journal of the Alabama Academy of Science, Vol. 54, No. 4, October 1983.

INDEX

Aadland, R. K. 135
ABO and Rh groups, survey of: differences from national norms . . . 110
Absher, Keith 157
Adrenal medulla, fine structural study of the effect of species variation on the mode of catecholamine release from the 23
AgBr, A. C. conductivity of heterogeneous polycrystaline 133
Airflow patterns, temperature trends in north Alabama correlated with upper 145
Alabama, 1948-1953, S. T. Kimball in: a memorial round table . . . 193
Alcohol consumption in west Alabama, plumbism and illicit 175
Alexander, Chester, Jr. 147, 148
Alexander, Lawrence 196
Al-Lami, Fadhil 23
Allison, Glenn 129
Aminoarsolanes, chemical dynamics studies of substituted 131
Analog-to-digital conversion, programming the apple computer for . . 147
Anticoagulent therapy, adrenal hemorrhage complicating 165
Antihormones, uterine tissue in prepubertal rats treated neonatally with 111
Anxiety and satisfaction, effect of hospital admission procedures on patient's 165
Arendale, W. F. 133
ASP, the making of: a language development facility 192
Ayyat, Farris M. 179
Badger, Lee W. 168
Banerjee, Chandra K. 174
Barber, Ray N. 72
Barganier, C. H. 169
Barnard, Susan M. 114
Barranco, Edward J. 125
Barrett, John 192
Basketry in the southeast, a tradition of white oak 196
Bean leaf beetle and three-cornered alfalfa hopper control 124
Bearce, Denny N. 136
Bell, Gorden 101
Benford, H. H. 116
Bennett, L. Lee, Jr. 174
Benson, D. Joe 138
Black retirees, life satisfaction as reported by 177
Blauwiekel, Peter B. 221, 231
Blount, G. 137
Boots, Larry R. 187
Borden, Amanda W. 186
Boshell, Jerry L. 59
Bradley, James T. 33, 116, 118
Bradycardial reflexes in man, mechanism of some of the: implications for clinical medicine. 116
Braverman, Eleanor 127

Index

Breslin, Frances S. 167
Buckner, Ellen B. 190, 191
Buerger, Theodore T. 119, 121
Business: Japanese style 157
Butler, Michael D. 156
Bylin, Carl V. 145
Byrd, Gene G. 149
Campbell, Olivia A. 112
Campbell, Patricia N. 114
Campbell, P. S. 111
Carbonate sequence in Lambert Materials quarry, Childersburg, Talledega county, Alabama, preliminary results of a structural study of a 137
Carrington, T. J. 135, 137, 138
Caryospora simplex in mice, development of the viperid parasite. . . 114
Catfish farm, computer projection of budgets for an Alabama 160
Cattle, Leukocyte migration inhibition in 120
Celt from west central Alabama, a hafted greenstone 194
Chambers, William H. 120
Chao, S. 147
Chattanooga shale from Macon county, Tennessee and Tuscaloosa county, Alabama, comparison of major element chemistry of the 136
Chelydra Serpentina in Rhode Island, radiotelemetric observations of wintering snapping turtles 200
Chen, I. 191
Chen, Jim 151
Chen, S. 191
Chowdhury, Rishi Raj 150, 192
Clondine overdose in 21 month old 185
Clotfelter, Ann 172
Coal bed, Black Warrior Basin, Alabama, elemental variations in the American 139
Cobb, A. Lee 151
Cody, R. M. 113
Coggins, Deborah R. 168
Cole, Perry W. 176
Collins, Terence R. 174
Community affairs: purpose and prospect, state departments of . . . 207
Competence, social cognition, motivation, and communicative 186
Computer Literacy 252
Computer optimization scheme, a directed 191
Computer software in industrial applications, mini and micro 150
Computers in business, personal 151
Conner, W. E. 171
Cope, Stephen 176
Cornwell, Phillip E. 187
Cotton, herbicide effects on growth and rhizoctonia disease of . . . 123
Cranial series from the Perry site, 1LU25, north Alabama, nonmetric variation among archaic and Mississippian 195
Crawford, Gerald 157
Creutzfeldt-Jakob disease presenting as psychotic depression 171

Cross, Whitman, II 101
Crozier, George 244
Crustaceans, salt regulation in anostracan 112
Cryptosporidiosis, immunodiagnosis of human 114
Cryptosporidium SP., *in vitro* development of 120
Cu(II) catalyzed by H_2O_2 oxidation of resorcinol, kinetics of . . . 130
Culpepper, M. 183
Curl, E. A. 123
Current, William L. 114, 117, 120
Cytogenetic studies in Alabama, projected need for prenatal 169
Dagg, C. P. 187
Damtew, Desta 159
Dauphin Island sea lab: a K-PhD program, the 244
Davis, W. B. 166
Dawkins, T. G. 116
Decubitus ulcers with galvanic stimulation, treatment of 170
DeLuca, Michael L. 195
DeMellier, Sarah T. 174
Dental implant, the single crystal sapphire endosseous: clinical and morphological response 175
DeVall, Wilbur B. 140
Diabetic mothers, behavioral assessment of infants of 190
Diamines, conformation and donor-acceptor chemistry of medium-ring 132
Dietary patterns, greens and grits: a study of rural southern . . . 195
Diffusion in disordered systems 148
Difluorobenzenetricarbonylchromium complexes, synthesis of substituted mono and 131
7,8--Dihydro - N_{10} - (propargyl) - folic acid, synthesis and antifolate activity of. A synthetic substrate of dihydrofolate reductase 126
Dilbeck, Sherry 156
Dillard, Jerry D. 173
Dinius, R. H. 130, 133
Diplochromosomes in Lymphocytes treated with CPZ, induction of . . . 164
Disk seek time, method of estimating 160
Dismukes, Marvin B. 136
Donax dorotheae from juvenile pompano, a size-refuge of 125
Dozier, Frank 185
Drawings, emotional indicators on children's 170
Duckworth, Diana 110
Dull, G. G. 122
Eastern wild turkey, plasma corticosterone levels and behavior in the male 72
Eastern wild turkey, plasma testosterone levels and behavior in . . 83
Economic issues, economic knowledge and attitudes toward 64, 155
Eggers, Mark D. 130
Electron energy distribution functions in a plasma, measurements of 146
Electronic recordkeeping--forerunner to electronic markets? 158
Elgavish, Ada 176
Elkins, Charles B. 112

Index

Ellison, Kathy Jo 179
Emerson, Geraldine M. 48
Endoparasites of some goats in Alabama and Georgia 121
Energy audit, an: A case study 151
Epithelial outgrowths treated with a phorbil ester, SEM of 180
Ernst, John V. 114
Essenwanger, Oskar M. 142
Euonymus scale in Alabama, biology and control of 125
Faris, A. W. 116
Farmers markets in Alabama, criteria for establishing 158
Farmland conversion, estimating adverse impacts from 143
Farmsteads and their economic significance in the southeast, Mississippian 196
Faulk, Lynne G. 165
Faunal contamination in Mobile Bay, Alabama, heavy metal discharge and 137
Federalism and the Alabama mule, new 14
Fence lizard, geographic comparison of spermatogenesis in the . . . 123
Fence lizard, seasonal ovarian and steroid cycle in the 124
Fetal skin, SEM of human 177
Fine, P. F. 184
Fine, Phillip R. 190
Finley, Sara C. 169, 173
Finley, W. H. 169
Fire insurance in antebellum Alabama, the origins of 154
Florence, Alabama, attitudes and opinions toward downtown 156
Florida everglades, an analysis of the multifarious stress factors upon the ecosystem of the 140
Forest management, methods to cause private forest landowners to practice multiple-use 144
Forestry, attitudes of Alabama residents toward 145
"Fossil forest" in the plateau coalfield, an early Pennsylvanian . . 134
Francis, Kennon 252
Francis, R. 183
Frandsen, J. C. 121
Franklin, K. M. 125
Franklin, Philip 133
Free, Veronica 158
Free, W. Joe 158
Friese, C. L. 160
Galaxies and quasars, digital image processing of 146
Gastaldo, Robert A. 134
Gatlin, Kerry P. 157, 159
Gaumont, Y. 126
Gilder, Joy D. 163
Giles, Barbara M. 207
Gilley, William F. 116
Gilliland, Janice 195
Glycohemoglobin in diabetes management, utility of 167
Gottlieb, Sheldon 116
Granite chemistry from modal minerology, GRCHEM: 139

Granitoids near Rockford, Coosa county, Alabama, petrology and geochemistry of 135
Gray, P. R. 113
Gray squirrels, vocal sequences of adult eastern 110
Gray, Wayne L. 167
Gregorowicz, Philip 162
Griffin, Marsha D. 152
Gudauskas, R. T. 113
Gyllenhaal-Davis, Charlotte 194
Hale, C. B. 168
Hansen, Asael T. 193
Hansen, Ed 170
Harper, Russell W. 144
Harris, W. E. 171
Haworth, M. D. 146
Haynes, James F. 64, 155
Haynes, T. B. 120
Health insurance, welfare cost of excess: a reappraisal 153
Heart enzymes and age in the rat, relationship between 48
Helton, R. E., Jr. 137
Hemp, J. W. 171
Henderson, H. A. 143
Henry, Beverly M. 184
Henry, Loren L. 164
Herpes simplex virus infection, in vivo demonstration of an antibody independent protective mechanism to 166
Higgins, Karol 117
High technology-an overview, social implications of 161
Hill-Clark, M. Cassandra 193
Himmler, Frank N. 145
Hines, Harry B. 83
Hodges, Laurie 123
Hoeppner, Susan H. 185
Holland, Andrea Priscilla 143
Honeybee cake, use of sweet potato flour as a carrier for 122
Hool, James H. 1
Horn, Howard 172
Huddleston, John F. 190
Human resources development: its contribution to economic development 156
Hunt, David 160
Huntsville, Alabama, downtown: perceptions of Huntsville citizens 152
Hyde, B. M. 177, 178, 182, 189
Hydrogenation reactions in a water photolysis system 133
Hydrolysis with nonconventional acid catalysts, cellulose 126
3-Hydroxyguanine, ESR studies of a single crystal of X-irradiated 148
Hyperostosis, porotic: a new hammer? 193
Hypokalemic periodic paralysis: case report and review of literature 169
Incentive contracting, risk-bearing and moral hazard in 155

Interest rate expectations for the 1980's 161
Intracellular dental for SEM, use of plasma-etching to expose . . . 173
Iron industry, locational adjustments in the nineteenth century English: a regional example 141
Irwin, Michael 111
Isometric and isokinetic exercise, fatigue and recovery patterns of women following intermittent 113
Isospora suis: development in chicken embryos 117
Isospora suis in swine: demonstration of immune reactivity 118
Isphording, W. C. 137
